Frequency of Board Meeting and Academic Advisory Body

Twice a semester

➤ **Organisational Chart and processes**

➤ **Nature and Extent of involvement of Faculty and students in academic affairs/ improvements**

- Our Institution is striving to be an eminent centre for academia, industry and research by imparting knowledge, relevant practices and inculcating human values to address global

challenges through novelty and sustainability.

- Our well qualified and experienced faculty members are serving as members of Board of Studies, Syllabus Revision Committee, Academic Council etc., and they take active part in curriculum revision, discussions related to the implementation of various academic activities and examination systems.
- Our Institution has evolved as one of the top institution in Tamil Nadu, branded as an Industry Connected Institution among the education fraternity. Within the short span Chennai Institute of Technology has earned the **Top 2nd position** in Tamil Nadu amongst 450 Engineering Colleges affiliated with Anna University based on the Academic Performance.
- To impart industry relevant skills CIT has collaborated with various industries exclusively to setup around 20 Centers of Excellence (CoE) to carry out training and engaging in projects addressing the problems statements from Industry and to give a real time hands on experience to the students:
- Our Institution has drawn the attention of the Industries and other global community for its radical approach in inculcating Innovative Learning Program (ILP). ILP has diversified the teaching learning process and its environment by incorporating more practical sessions and involvement of students in various technical and non-technical activities to realize their skills, talents and passion.
- Chennai Institute of Technology is a haven for those interested to innovate via research and is a key platform to help students cultivate the need to learn and increase their knowledge on multiple domains through our "Self Learning Program".
- Our research programs aim at molding students that can go back to the beginning of theories, fully understand the concepts and in turn revolutionize the world by coming up with ideas, products, and concepts that are at standards higher than those expected from students.
- We encourage all students and faculty members with the passion to study, join our various fully equipped research-oriented programs with no limitations and provide them the right guidance along with the answer to the "What next?" question that may arise in the minds of our young researchers.
- Having a good industrial connect, CIT is publishing research articles with an industry focus on high impact factor journals under Scopus and Web of Science classified journals.
- To enhance the Research activities and to bring out research outcomes the 10 centres for

research have been established with faculty derived from leading research institutions globally

- Industry research projects are being undertaken in emerging areas such as 3D printing, Robotics & Industrial Automation, Data Analytics, Internet of Things and Renewable energy includes wind and solar.
- CIT has a very good computational mechanics facility with high-speed computer systems, Software with research licenses. Specific research centers have been established in collaboration with leading industries in order to carry out the research activities to cater to the research needs of the industries. In the current academic year itself, ten industrial research projects have been successfully completed.
- The The eminent faculty members of the CIT are all well qualified from the leading research institutions of our country as well as institutes of repute from the foreign soil also. **Around 42.5% faculties are having Ph.D. qualification and always CIT maintaining the Student's Faculty Ratio (SFR) at 13.1.** Their field of specialization and research interest augment the institution to have collaborations with the leading industries in innovation, technological incubation, and research. The major domain areas of collaboration include Composite materials, IoT applications, Additive manufacturing, Robotics, Automation, Artificial Intelligence, Energy, Sustainable Environment, Electric Vehicle technology, etc.,
- In order to enhance the research capabilities in interdisciplinary areas the faculty members are encouraged to participate in different refresher courses, faculty exchange programs in India and abroad, in addition to the hands on industrial training programs.
- Students are well trained during their course of study to improve their employability skills. A well-structured training programme is imparted to students from their first year of study itself.
- Many top leading recruiters of our country and few from abroad regularly visits Chennai Institute of Technology to recruit the students for their concerns. More than 170 recruiters, of which around 50 core companies recruit our students every year. Our Innovative Learning Programme combined with the structure training program helps the student to get placement in leading MNCs.
- Students are also pursuing their higher studies in QS ranked Universities across the globe.
- Cater to the need of diversified learning capability of the students; our Teaching learning process includes Traditional learning, Collaborative learning, experiential learning, activity based learning, competition based learning and Innovative learning.
- Outcome based education is implemented in all stages of Teaching learning process. Course

Materials prepared by our faculty members supports and encourages students for Activity Based Learning. Contents of Digital Course Materials includes Course Objectives, Pre Requisites, Syllabus, Course outcomes, CO- PO/PSO Mapping, Lecture Plan, Activity based learning, Lecture Notes, Assignments, Part A, Q & A (with K level and CO), Part B Qs (with K level and CO), Supportive online Certification courses (NPTEL, Swayam, Coursera, Udemy, etc.), Real time Applications in day to day life and to Industry, Contents beyond the Syllabus, Assessment Schedule (Proposed Date & Actual Date), Prescribed Text Books & Reference Books and Mini Project suggestions. This helps the students to understand the subject thoroughly. Digital Course Materials are prepared for all the subjects and uploaded in the Institution website.

- Effective mentoring system is in practice with a faculty mentor for every 20 students to monitor and guide the students to excel in their academic, co-curricular and extracurricular activities.
- A qualified Counselor is appointed to counsel the students related to their personal problems.
- Parent-teacher meeting are conducted frequently to convey the academic progress and to improve the parent–teacher-student relationship.
- The faculty counselor maintains the complete profile of the students to monitor the growth of the students with the help of a data book. Also monitors and motivates the students to effectively utilize the placement training programs and to make the students job ready.
- Internal Quality Assurance Cell (IQAC) is effectively working to promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.
- All the departments are associated with Professional Societies. Students are actively participating and organizing various technical events through Students’ Chapters like Indian Society of Technical Education (ISTE), Society of Automotive Engineers, Indian Concrete Institute, Computer Society of India, Institution of Electronics and Tele communication Engineering etc.
- Students are encouraged and guided to participate in various competitions conducted by Government agencies, private organizations and premier Institutions.
- Various measures are taken to ensure the Gender Equity. Women empowerment cell in the name WISE(Women in Science and Engineering) is functioning .
- To provide an inclusive environment i.e. tolerance and harmony amongst faculty and students various activities are being conducted.
- National and International commemorative days, events and festivals are celebrated throughout the

year.

- To sensitize our students and employees to the constitutional obligations , events are regularly organized.
- A registered alumni cell is functioning and alumni are contributing significantly through financial contributions and support services for the development of the Institution.

Institution is having the facilities for degradable and Non degradable waste Management which includes, solid waste management, Liquid waste management, Biomedical waste management, E waste management, Water recycling system and Hazardous chemical waste management.

➤ **Mechanism/ Norms and Procedure fo Democratic/ good Governance**

The Institution has well defined organizational structure, in which many senior faculty are the members of the decision making committees such as Governing council, IQAC, Programme Advisory Committee, Grievance committees and others through which the governance flow further to HODs, Programme coordinators, faculty, class representatives and students to implement and monitor the academic and administrative matters of the Institution.

Various functionaries that are managing the Institution under the Principal are given below.

Vision and Mission statements define the quality policy of the institute in very well manners which are designed by the Top Management, Principal, IQAC Coordinator, Programme Coordinators and senior faculty members of the Institution. An action plan is prepared collectively by the Principal, Programme coordinators and IQAC for implementing the quality policy. According to the action plan , specific roles are assigned to various faculty members.

The Principal provides leadership for the academic administration and creates an effective environment conducive for learning. Principal ensures that quality education is imparted to the students that foster the holistic development of the students. Principal also ensures all round development of the Institute and achievement of strategic plan of the Institution.

The Institution has in place several committees to to continuously monitor the academic and administrative activities. The committees comprise of key stakeholders including government, administrators, faculty, staff, industry, employer, alumni, parent and students. The top management provides effective academic leadership to the faculty by setting goals and involving them in participative decision making process, not only to achieve the vision, mission and goals of the institution but also in building the organizational culture. Principal permits the HODs and staff members in performing freely in the academic and administrative activities.

Top Management :

- Designing quality policy
- Providing Budget
- Developing Infrastructure
- Recruitment
- Providing Scholarships

Principal :

- Quality Policy – Planning, deployment and monitoring
- Weekly meeting with HODs / Programme Coordinators
- Administration of teaching and learning
- Monitor academic performances
- Recruitment
- Maintenance
- Monitoring the research progress.

HoDs / Programme Coordinators :

- Department meetings.
- Execution of course work
- Mentoring to the students
- MoUs
- Maintenance
- Results analysis and corrective actions

Decentralized :

- Top Management has given necessary authority to Principal to manage different functions with operational autonomy.
- Principal forms different committees as per requirement
- Committee coordinators have given appropriate authority to take decision.

Participative :

- Students, faculty and administration join hand in hand.
- Internal as well as external stakeholders are involved for any modification in teaching learning and administrative process or any similar process.
- Institution constitutes committees for general and academic development involving all stakeholders' indecision making process.

DEANS/CHIEF CO-ORDINATORS

To help the Principal, Director and Dean-Admin in their administration, there shall be four Deans/Co-Ordinators namely

1. Dean/Co-Ordinator – Academics
2. Dean/Co-Ordinator – Administration
3. Dean/Co-Ordinator – P&T, III
4. Dean/Co-Ordinator – R&D

The Designation Dean shall be used only when Professors hold these posts. In other cases they are called '**Chief Co-Ordinators**'

I) Dean – Academics

He looks after

- i) Teaching-Learning process, IQAC
- ii) Library, Computers, Internet, Laboratories & Centers of Excellence
- iii) Value added Programs, Certificate Programs, Life Skills Programs
- iv) Examinations, Innovations in TLE.

II) Dean- P&T, III

- i) Training & Placement.
- ii) Internships for Students & Faculty, Projects at Industries
- iii) Industry-Institute Interaction, Industry Sponsorships, MOUs
- iv) Entrepreneurship Development, Incubation, Startups

III) Dean-Administration

- i) Student Facilities, Scholarships,
- ii) Student Counseling& Mentoring,
- iii) CO & Extracurricular activities, NSS, NCC
- iv) Student Discipline
- v) Alumni Information, Alumni Meets

IV) Dean – R & D.

- i) PG/PhD Programs, SRF/JRFs
- ii) Research and Development, Publications, Seed Money
- iii) Faculty/Staff Development, Online/FTF, MOOC
- iv) Consultancy, Testing and Corporate Training

Dean(s) – Functions:

1. He/She is overall in charge for the respective areas under him/her and shall ensure the success of these activities assigned.
2. He/She will make recommendations to Principal/Director on formulation of various committees for different areas he/she is in charge of.
3. He/She will convene meetings of those committees at least once in two months.
4. He/She shall submit reports to the Principal twice in a semester on the programs he/She is in charge of.
5. All the information, correspondence regarding the activities coming under the purview of the Dean shall be routed through him to Principal.
6. Whenever necessary he/she shall convene a meeting of HODs concerning those activities, with Principal as chairman and Dean as convener and with invitees like CD, Director etc.

In the hierarchical order, the Deans are between the Principal/Director and Heads of Departments.

Coordinators of all committees will report to their respective Deans or Chief Co-ordinators. HODs shall report to the Dean or to the Principal through Dean on matters that come under the purview of Dean.

The Deans will be guided by the policies of the college in the matters that come under their purview.

COMMITTEES:

The College has various committees towards smooth administration and delegation of responsibilities among faculty members, staff and students. Every committee shall have a co-coordinator and minimum two or more members. Coordinator will be in charge of the committees and its programs. These committees assist the Deans in the discharge of their duties. Each activity given under the Dean will have a committee.

Construction and Maintenance Committee	Dean-Administration
General Maintenance, Green& Plastics Free Campus Committee	Dean-Administration

Counseling and Guidance Cell:

(sample Cell Objectives, Meetings and Minutes)

To be headed by Dean-Student Affairs and comprising of one member from each department.

Objectives of the Cell:

- To create self confidence among the students.
- To conduct frequent interactive sessions with students.
- To clear the doubts related to academic matters of the students.
- To create social interactions and compatibility among the students.
- To monitor counseling activities of faculty members in Departments.
- To have interactions with parents.
- Timings :During the allotted period/time.

During the first three months of admissions, this cell also gives Counseling and Guidance Cell for New Students, to encourage the new students to seek the help of the cell.

HEAD OF THE DEPARTMENT

HOD is responsible for the functioning of that Department as per the laid down policies of the college. He will be consulting with and reporting to the Principal and Director. In all subject matters of various Deans, HOD shall report to the Principal through Deans.

HOD will allocate academic and other duties to the staff members of his department and enjoy a level of autonomy to utilize the services of his faculty and supporting staff.

HODs are given an contingency money of Rs 10,000/- and they will utilize this for emergencies and unforeseen expenditure only.

ACCOUNTABILITIES AND RESPONSIBILITIES:

- a) Will be accountable for all academic activities of the department and shall guide the faculty members, monitor student performance, teaching methodology, Identify the required laboratories as per syllabus with all Equipments/Software and facilities and research activities.
- b) Will work as a cohesive team and delegate various responsibilities to all the faculty members and support staff and monitor the progress.
- c) Will be responsible for semester academic planning, manpower planning, subject allocation, Additional Responsibility for faculty, lab equipment Procurement/ maintenance, academic time table, Department Stationary requirement. Class Rooms with accessories, Departmental Furniture availability and maintenance, Availability of teaching Aids, Departmental library requirements, Faculty Rooms with requirements.
- d) Will monitor and check record of class work, verification of log books and coverage of syllabus and supervise the lab and theory class work.
- e) Will maintain university syllabus and modify the changes in curriculum issued by University and inform faculty on these changes
- f) Will maintain the files and records as per NBA, NAAC, NIRF requirements
- g) Will be in charge of student's academic and personal data base maintenance, Society activities, professional societies and alumni.
- h) Will be responsible for frequent scrutiny of details of Course Files/Lab Manuals of faculty and satisfy that lesson plan, lecture notes, and question bank, log book, etc are maintained in order for monitoring theory classes, lab sessions, students attendance and discipline.
- i) Will co-ordinate co-curricular activities like local industrial visits, guest lecturers, educational tour.
- j) Will co-ordinate academic activities like conduct of project viva, seminars, symposia, special lectures and provide support services for student placement, and department student association.
- k) Will maintain a list of resource persons to handle Subjects identified as Difficult subjects, to conduct seminars on relevant common topics, to advise in departmental activities, to

organize and conduct Seminars, FDP, STTP, Programs, Workshops personality development Programs, to conduct Add-on courses, etc.,

- l) Will conduct project review meetings in consultation with students and staff and implement as per the procedure given.
- m) Will organize and evaluate and monitor students continuous performance Improvement thro' Internal Evaluations and conducting Remedial class.
- n) Will monitor the performance of Students after university examinations and analyze the results for monitoring students and faculty performance. Maintain the records of these analyses. Also use the details as feedback for improvement.
- o) Will involve in purchase of library books, laboratories equipments and consumables.
- p) Will monitor conduction of lab classes as per university syllabus, additional experiments devised by faculty and design based experiments by students.
- q) Will appoint one faculty Member as Lab In-Charge for each lab identified by department. Also ensure availability of qualified Non- teaching faculty (at Diploma Level) for each Lab, to maintain the Lab Equipments, to service them and calibrate them once in a Semester, to replenish consumables / Stationary requirements.
- r) Will co-ordinate preparation of annual budget for various activities and arrange for annual stock verification.
- s) Will implement activities as per in academic calendar of the college and submission of reports.
- t) To organize and conduct programs for Placement training and higher education of Students to ensure student placement and motivate for Higher studies as per target.
- u) Maintain contact with Alumni and involve them in the Academic process wherever possible.
- v) Maintenance of Discipline of Students in Class room, In-campus/Off-campus, in Department / Institution organized events. 95 % daily attendance of students in classes, Follow Dress Code, Adhering to Rules and regulations, active participation in all Department / Institution events.
- w) Will organize and conduct Class Committee Meetings and initiate for corrective and preventive actions.

- x) Will also convene Department Review Meetings with department staff once a month and maintain the Minutes book. The probable agenda is given in annexure.
- y) Will present the departmental activities its progress, Problems, things to improve at Management Review Meetings and communicate decisions taken in these meetings to departmental faculty.
- z) Will participate in the College Management Committee (CMC) Meetings and communicate decisions taken in these meetings to departmental faculty.
- aa) Will achieve and exceed the set targets for HOD.

The Critical Success Factors (Targets & Review) for Heads has been given in the Annexure. The status shall be presented by Heads and the same shall be reviewed during the 1st week of every month, during the CMC Meetings.

FILES TO BE MAINTAINED BY DEPARTMENTS, AS PER SOP:

- a) Faculty & Non-Teaching
- b) Faculty & Non-Teaching Development
- c) Students Admission, Admission Analysis
- d) University Result Analysis
- e) Students Placement & Higher Studies, Entrepreneurship
- f) Students Mentoring, Counseling, Discipline etc
- g) Program Educational Objectives, Program Outcomes, PSOs
- h) Course Objectives, Outcomes, CO Vs PO Mapping,
- i) Syllabus, Syllabus Vs PO Analysis
- j) Time Table, Workload, Responsibilities
- k) Guest Lecturers
- l) Course Files
- m) Lab Manuals
- n) Tests/Model Examination-Marks, Analysis, Action Taken, Internal Marks
- o) Co Attainments, PO Attainments, CQI
- p) Students Feedback, Analysis & Action Taken, Other feedbacks
- q) Lab wise Resources, Stock Registers, Maintenance Registers etc
- r) Department Library & Self-Learning Facilities
- s) Students – Co/Extra Curricular, Entrepreneurship, Ethics
- t) Students Personality Development, Alumni Activities, Students Awards
- u) Students Mini & Major Projects
- v) Students Association, Students Professional Society Activities

- w) In-house R&D, Sponsored R&D, Consultancy & Testing
- x) Indu. Institution Interaction, MOUs, Industrial Visits, Training etc

HODs are advised to distribute responsibilities to various faculty and lab staff and monitor the completion of works and updating of files on regular intervals.

HODs shall be given an office assistant and attender. HOD Office shall be equipped with a computer system, laser printer and pen drives.

TEACHING STAFF - RESPONSIBILITIES:

- a) Every faculty member shall be given a teaching load as per the norms and any one or two of the following administrative responsibilities, or as assigned by respective HOD.
 - i) Class in charge
 - ii) Laboratory in charge
 - iii) Allocation of workload, preparation of class work time table, master time table, practical examination time table, hall arrangement and lab allocation.
 - iv) Alternative class work arrangement, annual budget preparation, library committee, staff leave register, educational tour and industrial visits.
 - v) Co-ordination of final year student projects and mini- projects, student data maintenance, placement cell co-ordination and arrangement of guest lectures and student paper presentation.
 - vi) Any other special administrative works assigned by the competent authority.
- b) Every faculty shall guide students and complete minimum two mini-projects and two final year projects.
- c) Every faculty shall carry out the following as per the schedule:
 - i) Submission of Monthly Tests – 1 Week before the test.
 - ii) Submission of test marks, model examination marks on or before the 4th day after the test.
 - iii) Record of class work shall be submitted once in 15 days to H.O.D at the end of the

semester to Principal/Director.

- iv) Submission of internal assessment marks within 7 days after the completion of model examination.
- d) Every faculty member shall compulsorily give weekend assignments to students in all the subjects taught by him/her and it shall be included as a part of lecture notes. The assignments shall be corrected and given back to students (Minimum 5 on advanced topics and 5 on unit-wise Part B questions/problems)
- e) The faculty member shall not allow to the class, those students who do not complete weekend assignments, laboratory records or who are absent to classes or tests without leave letters, those who do not wear overcoat for lab classes etc. until they get the permission from H.O.D/Principal.
- f) Every faculty member shall submit a list of text books to be purchased by the students one week prior to commencement of class work to the H.O.D and he/she should announce the text books followed by him/her. The H.O.D shall in turn submit it to the Principal for procuring them for library.
- g) Every faculty member shall prepare all possible Part-A and Part–B questions and answers for every unit and give them to the students as soon as the unit is covered and a soft copy to be given to the H.O.D without fail. Every faculty shall prepare the laboratory manual, lecture notes by compiling the questions and answers and questions bank and give them to the students.
- h) In addition to normal academic and administrative work loads, every faculty member shall carry out other work assigned by the Principal and H.O.D.
- i) Every faculty member shall check the discipline of students in the class, Laboratory and in the campus and if any student is found misbehaving, it should be immediately reported to the Principal for action. The faculty member shall never use any abusive language or punish any student, when the student indulges in misconduct or misbehavior in the premises of the college.
- j) No faculty shall cancel any theory class or laboratory class or send a fellow faculty to his/her class without permission from the H.O.D/Principal, when the latter is present in the college.
 - i) Every faculty shall arrange special coaching class for academically weaker students on holidays or evening time in consultation with H.O.D/Principal.
 - ii) Every faculty shall prepare the lesson plan for teaching the theory courses in his /her own way and ensure to get a minimum pass percentage of 90 and more in his/ her

subject. The percentage pass marks obtained by the students will be taken into consideration while considering the increments/raise in the salary.

- iii) It is mandatory on the part of every faculty member to accompany the students on educational tours and local industrial visits.

- k) Every faculty shall encourage and guide students in the preparation of technical papers for presentation in conferences in other colleges and should guide a minimum of one paper per semester.

- l) Every faculty shall review the analysis of test and model examination marks, university examination marks and counsel the weak students.

- m) It is mandatory on the part of every faculty to become familiar with the Computer Systems Operation, MS Office, Internet Usage etc.
 - i) It is mandatory on the part of every faculty member to maintain a personal and a course file. Every faculty shall publish minimum one Technical paper every year.

 - ii) In case a faculty resigns his/her job, they should give two months prior notice or two months' salary in lieu thereof and can be given only during March. The relieving orders will be given only at the end of the academic year (i.e. on May 1st).

 - iii) Wherever a faculty fails to fulfill the mandatory functions or works or responsibilities he/ she will be issued a memo calling for an explanation by the Principal.

 - iv) If the faculty fails to fulfill the mandatory functions or works frequently during an academic year, he/she will be relieved from his / her post without notice.

 - v) Every faculty shall submit representation relating to any grievance in work place or problems encountered with students or any other matter to the Principal or Grievances Committee for necessary action.

 - vi) Every faculty shall follow the dress code and shall never violate. As faculties are role models for students, they are advised to follow dress code strictly.

 - vii) The H.O.D's are authorized to call for explanation and issue memo to any faculty member if he/ she fail or refuse to carry out the work. The H.O.D's shall submit a report to the Principal on all such cases.

- n) The Critical Success Factors (Targets & Review) for Faculty Members has been given in the Annexure. The status shall be presented by the faculty members in DRMs, after every

monthly test, before Heads CDMs with the Principal and CMC.

OFFICERS - PLACEMENT AND TRAINING

- a) The placement and training officer shall be the coordinator of placement and training cell and it is his/her responsibility to achieve 90% placement for all students in Industry and reports to Dean-P&T, III.
- b) It is the responsibility of Placement and Training Officer to improve the employability of students and submit the plan of action for the approval of the Principal/Director and Management.
- c) He shall arrange for special Lectures by experts from HRD of companies for III and IV year students on the following topics:
 - i) Personality skill development
 - ii) Soft skill development.
- d) He shall arrange regular training classes for students on the following topics through outside agencies or in-house trainers.
 - i) Personality and communication skill
 - ii) Oral communication
 - iii) Written communication
 - iv) English grammar
 - v) Comprehension in English
 - vi) IQ and aptitude test
 - vii) Personal interview
- e) He/she should visit industry/companies and maintain close liaison with concerned Officials of the companies for campus visit and subsequently arrange for the campus interview.
- f) He shall make all arrangements for the conduct of the campus interview including conduct of test, group discussions, personal interviews etc.
- g) He shall maintain the year-wise placement records

LIBRARIAN

- a) Librarian is responsible for maintaining the circulation section, reference section, periodical section, acquisition section, technical section and maintenance section
- b) Librarian is responsible for selecting the books (along with HODs), ordering the books, receiving the books, classifying the books and accessioning the books in the accession register and passing the bills.
- c) Library staff is responsible for shelving the books, maintaining the stack area and self rectification and stock verification, binding work, entry of call number, transfer of books to departments, library cards sorting and filing, maintenance of Author's Index and Subject wise Index, reprographics services, internet and online public access catalogue (OPAC).
- d) Librarian is in-charge of fine collection and Xerox charges collection from the students and renders accounts to the Principal once in 15 days. A separate register should be maintained showing the date wise receipt of fine and Xerox charges. Proper receipt must be issued to the student, while collecting such charges.

WARDENS

- a) The Warden/Deputy Wardens shall ensure that hostel rules are followed scrupulously by hostellers and if any hosteller violates the rules, he/she shall recommend to CD for appropriate action.
- b) The Warden/Deputy Wardens shall ensure that the hostel rooms / toilets / bathrooms are kept in very hygienic condition.
- c) The Warden/Deputy Wardens are responsible for proper record keeping, safety of the students and maintaining discipline

PHYSICAL DIRECTOR

- a) He shall train students for participating in various tournaments and also organize University Tournaments in our college.
- b) He has to monitor disciplinary aspects including adherence to dress code, maintenance of silence, promptness in attending classes, and engagement of classes by faculty members preventing the students from loitering in the corridors, damaging the property, defacing walls or teasing of girl students in the college premises

- c) He shall take adequate measures to prevent any misbehavior, misconduct, especially during extracurricular activities and other college functions
- d) He shall convene disciplinary committee meetings once in a month in consultation with the Dean/Chief Co-ordinator of the disciplinary committee to discuss the general disciplinary status of students and precautionary steps that should be taken to maintain the discipline of students
- e) He shall prepare the annual budget for the sports and games accessories and submit them to the Principal.

Laboratory Instructors and Assistants

- 1.To provide instruction to the students on the operational aspect of equipment / machinery.
- 2.Upkeep and maintenance of equipment in the laboratory
- 3.Maintenance of records relating to the laboratory (Stock, Issue register etc.)
- 4.Help Lab in-charge in stock verification
- 5.Maintenance of cleanliness and neatness of laboratory/workshop
- 6.Maintaining the service record for equipment in lab
- 7.Ensuring the lab instruments are in proper working condition
- 8.Safe accounting and reporting of breakage

OFFICE ADMINISTRATIVE SECTIONS

There will be two administrative sections – one for Principal/Director and another for CD. Principal/Director Section looks after Students/Faculty Affairs and CD Office Section shall look after Purchase, Non-Teaching(Non-Academic), hostel, transport etc.

PRINCIPAL OFFICE SECTION-STUDENTS & FACULTY AFFAIRS:

It will be headed by an Office Manager and assisted by office assistants. In addition, Principal and Director shall have a Stenographer/ Typist and attenders.

STUDENTS:

1. Admission
2. Correspondence to DOTE / AU for student admission approval
3. Provisional Eligibility certificates for NRI students/Students from Other States.
4. Students Admission - Statistical data
5. Transfer of students from one college to other college
6. Degree Certificate and Transfer Certificate.
7. Issue of duplicate mark sheet and name change.
8. Progress report to parents

9. Issue of bonafide and course completion certificate
10. Graduation and Induction Day
11. Students Scholarship
12. Daily Absentees Report Compilation

FACULTY:

1. Faculty & Non-Teaching (Technical) Recruitment
2. Maintenance of Faculty Data/Documents in individual files
3. Custodian of faculty members original certificates
4. University result Updating

AICTE:

1. AICTE/AU Correspondence
2. AU and AICTE visits

OTHERS:

1. Interfacing with Departments & Collecting Data for Principal.

**DEAN Administration – PURCHASE, NON-TEACHING (NON ACADEMIC)
Transport, Hostel etc. :**

It will be headed by an Office Superintendent and assisted by Office assistants. In addition, CD shall have a Typist and an attender. A Receptionist will be available at the Reception.

PURCHASE:

1. Purchase of equipments
2. Purchase of consumables
3. Purchase of stationery items
4. Servicing of equipments
5. Gate pass for sending equipments/stores for servicing
6. Follow-ups on Servicing and getting back.
7. Equipment Status Report (after Maintenance)

NON-TEACHING(NON-ACADEMIC)

1. Recruitment – Non-teaching
2. Pay fixation, Annual increment – Non-teaching
3. Personal register – Non-teaching
4. Custodian of original certificates – Non-teaching

RESOURCES & OTHERS:

1. Land and Building documents
2. Consortium work

3. Fire Certificate, Pollution certificate, Structural stability certificate etc.
4. Interfacing with Functional Departments & Collecting Data for CD.

TRANSPORT:

1. Single Page – Bus Details;
2. Single Page – Driver Details;
3. Single Page – Office Vehicles and Ambulance Details
4. Register - Diesel Consumption & Mileage

HOSTEL:

1. Register–Students Details, Room-wise – Allotment; Hostel-Block-wise
2. Hostel Complaints/Maintenance Register.
3. Mess/Canteen Register

RECEPTION & TAPAL

1. Maintenance of incoming Tapal Register and Issue Register
2. Maintenance of Dispatch Register
3. Maintenance of stamp account and settlement of advance
4. Maintenance of Tapal Register (Department wise), issue – Each department
5. Attending Telephone operating work
6. Dispatch of letters to parents and others

➤ **Student Feedback on Institutional Governance
Faculty performance**

The various feedback mechanism followed in the college are,

- Subject wise semester feedback – Oral and Online
- Class Committee Meetings as per Anna University Guidelines
- Feedback from alumni in Alumni meetings
- Feedback on Facilities
- Self Appraisal (Faculty)
- Course End Survey and Exit Survey.

➤ **Grievance Redressal mechanism for Faculty, staff and students**

A staff and students Redressal Committee exists in our Institution. The constitution of the committee is as follows:

GRIEVANCE AND REDRESSAL

S.No	Name	Category	Present Designation
1	Dr. A. RAMESH	Chairman	Principal
2	Mr.R.RAMESH	Senior Faculty	Dean Administration
3	Dr. M. D. VIJAYAKUMAR	Senior Faculty	Associate Professor, Dept. of MECH
4	Dr. S. PAVITHRA	Member	Associate Professor, Dept. of CSE
5	Ms. K. NISHA	Member	Assistant Professor, Dept. of CSE
6	Ms. V. AKILA	Member	Student Counselor

➤ **Establishment of Anti Ragging Committee**

ANTI RAGGING SQUAD

S.No	Name	Category	Present Designation
1	Dr. A. RAMESH	Chairman	Principal
2	Dr. M.ETTAPPAN	Senior Member	Professor, Dept. of EEE
3	Mr. R. RAMESH	Member	Dean Administration
4	Dr. M.D. VIJAYAKUMAR	Member	Associate Professor, Dept. of MECH
5	Ms. N. ARCHANA	Member	Associate Professor, Dept. of BME
6	Ms. A. VIJAYALAKSHMI	Member	Assistant Professor, Dept. of CSE
7	Mr. P. RAJINIKANTH	Member	Physical Education Director

ANTI-RAGGING COMMITTEE

S.No	Name	Category	Present Designation
1	Dr. A. RAMESH	Chairman	Principal
2	Mr. R. RAMESH	Member	Dean Administration
3	Dr. R. BALAMURALI	Senior Member	Professor, Dept. of ECE

4	Dr. P. GURUSAMY	Senior Member	Professor, Dept. of MECH
5	Dr. B. Sundarambal	Senior Member	Professor, Dept. of CSBS
6	INSPECTOR OF POLICE, KUNDRATHUR	Member	Police Inspector
7	Mr. R. RAGHURAMAN	Member	Assistant Professor, Dept. of EEE
8	Mr. M. MURUGALINGAM	Member	Assistant Professor, Dept. of CIVIL
9	Mr. G. KANNAN	Member	Assistant Professor, Dept. of MECH
10	Mr. K. VIKRAM	Member	Assistant Professor, Dept. of S&H
11	Dr. N. KANDAVEL	Member	Assistant Professor, Dept. of CSE
12	Mr. G. SENTHILKUMAR	Member	Assistant Professor, Dept. of CSBS
13	Mr. K. KIRUBASANKAR	Member	Assistant Professor, Dept. of ECE
14	Mr. P. RAJINIKANTH	Member	Physical Education
15	Mr. K. KISHORE	Member	Representative of student
16	Ms. A. SWETHA	Member	Representative of student
17	Ms. R. DINESH	Member	Representative of student
18	Mr. R. SRUTHI	Member	Representative of student
19	Mr. A. SEENIVASAGAN	Member	Parent
20	Mr. K. Vijayakumar	Member	Parent

➤ **Establishment Online Grievance Redressal Mechanism**

GRIEVANCES AND REDRESSAL

S.No	Name	Category	Present Designation
1	Dr. A. RAMESH	Chairman	Principal
2	Mr. R. RAMESH	Senior Faculty	Dean Administration
3	Dr. M. D. VIJAYAKUMAR	Senior Faculty	Associate Professor, Dept. of MECH
4	Dr. S. PAVITHRA	Member	Associate Professor, Dept. of CSE
5	Ms. K. NISHA	Member	Assistant Professor, Dept. of CSE
6	Ms. V. AKILA	Member	Student Counselor

➤ **Establishment of Internal complaint Committee (ICC)**

Internal Complaints Committee (Sexual Harassment of Women at workplace)

S.No	Name	Category	Present Designation
1	Dr. S. PAVITHRA	Senior Member	Professor, Dept. of CSE
2	Ms. N. ARCHANA	Member	Associate Professor, Dept. of BME
3	Ms. S. MALARSELVI	Member	Assistant Professor, Dept. of S & H
4	Ms. K. NISHA	Member	Assistant Professor, Dept. of CSE

➤ **Establishment of Committee of SC/ ST**

SC/ST Welfare Committee

S.No	Name	Category	Present Designation
1	Dr. P. GURUSAMY	Chairperson	Professor, MECH
2	Dr. M.D. VIJAYAKUMAR	Convenor	Associate Professor, MECH
3	Mr.G.SENTHIL KUMAR	Member	Assistant Professor, CSBS
4	Dr. S. MALARSELVI	Member	Assistant Professor, S&H
5	Ms. J. POORNIMA	Member	Assistant Professor, Dept. of EEE

➤ **Internal Quality Assurance Cell**

LIST OF MEMBERS

S.No.	IQAC Member	Representing
1	Mrs. S. Sridevi Secretary, CIT	Management Representative
2	Dr. A. RAMESH Principal	Chairman
3	Dr. A. Prasina Professor, ECE	Coordinator
4	Mr. R. Ramesh Dean Admin	Senior Faculty Member / Administrative Member
5	Dr. R. DHANAGOPAL Associate Professor, ECE	Administrative Member
6	Dr. R. Karthikeyan Professor, ECE	Administrative Member
7	Dr. R. Balamurali Head-Industry Relations	Administrative Member
8	Dr. M.D. VIJAYAKUMAR Associate Professor, MECH	Senior Faculty Member
9	Dr. O.S. Rajamohan Associate Professor, S&H	Senior Faculty Member
10	Dr. P. Vasanthi Assistant Professor, Civil	Faculty Member
11	Mr. N. Vinoth Assistant Professor, MCT	Faculty Member
12	Dr. S. Meenakshi Associate Professor, ECE	Faculty Member
13	Mrs. M. Shanmuga Sundari Assistant Professor, CSE	Faculty Member
14	Mr. R. Raghuraman Assistant Professor, EEE	Faculty Member
15	Mr. K.R. Yuwaraj Assistant Professor, MECH	Faculty Member
16	Mr. D. Kannan DGM Daimler India	Parent/Industrial Member

17	Mr. S. Rahul Associate Engineer ABB Ltd.	Alumni Member
18	Mr. Ganesh Ramkumar	Student Member

6. Programmes

➤ **Name of Programmes approved by AICTE**

B.E Biomedical Engineering
 B.E Civil Engineering
 B.E Computer Science and Engineering
 B.E Electrical and Electronics Engineering
 B.E Electronics and Communication Engineering
 B.E Mechatronics Engineering
 B.E Mechanical Engineering
 B.E CSE (Artificial Intelligence and Machine Learning)
 B.E CSE (Cyber Security)
 B.E Electronics and Communication(Advanced Communication Technology)
 B.E Electronics Engineering (VLSI Design and Technology)
 B.Tech Artificial Intelligence and Data Science
 B.Tech Computer Science and Business Systems
 B.Tech Information Technology
 M.E CAD/CAM
 M.E Computer Science and Engineering
 M.E Applied Electronics
 M.E Electronics and Communication(Advanced Communication Technology)
 M.E Electronics and Communication(VLSI Design)
 Ph.D

➤ **Name of Programmes Accredited by NBA**

B.E Computer Science and Engineering
 B.E Electrical and Electronics Engineering
 B.E Electronics and Communication Engineering
 B.E Mechatronics Engineering
 B.E Mechanical Engineering
 B.E Civil Engineering

➤ **Status of Accreditation of the Courses**

<ul style="list-style-type: none"> Total number of Courses 		19 (14 UG Programme and 5 PG Programme)					
<ul style="list-style-type: none"> No. of Courses applied for Accreditation 		9 Programme					
<ul style="list-style-type: none"> Status of Accreditation 		6 Years for ECE and EEE (AY2021-27) 3 Years for CSE, MECH, MCT (AY 2021-24) 3 Years for CIVIL, PG:CSE,CAD/CAM,AE

12.

Criteria and Weightages for Admission

- Describe each criterion with its respective weightages i.e. Admission Test, marks in qualifying examination etc.
- Mention the minimum level of acceptance, if any

A Pass in twelfth standard of Tamil Nadu H.S.C. (+2, Academic) with Mathematics, Physics and Chemistry.
(or) A Pass in an equivalent examination

Community	H.S.C. (Academic) or Equivalent	H.S.C. (Vocational)
SC/ST	An average marks of 40% in Physics, Chemistry and Mathematics	An average marks of 40% in Vocational Theory, Practical and Mathematics
MBC/DC	An average marks of 40% in Physics, Chemistry and Mathematics	An average marks of 40% in Vocational Theory, Practical and Mathematics
BC	An average marks of 45% in Physics, Chemistry and Mathematics	An average marks of 45% in Physics, Chemistry and Mathematics
Other Communities	An average marks of 50% in Physics, Chemistry and Mathematics	An average marks of 50% in Physics, Chemistry and Mathematics

- Mention the cut-off levels of percentage and percentile score of the candidates in the admission test for the last three years

Cut of Mark Details

Branch	2023-24		2022-23		2021-22	
	(out of 200)		(out of 200)		(out of 200)	
	Max	Min	Max	Min	Max	Min
CE	184	169	182.5	151	182.4	168.9

13. List of Applicants

- Number of candidate whose applications have been received along with percentile/percentage score for each of the qualifying examination in separate categories for open seats. List of candidate who have applied along with percentage and percentile score for Management quota seats

4025

14. Results of Admission Under Management seats/Vacant seats

- Composition of selection team for admission under Management Quota with the brief profile of members (This information be made available in the public domain after the admission process is over)

on the basis of 12th Mark by Consortium of Self Financing Professional, Arts and Science Colleges in Tamil Nadu

- Number of candidate who have been offered admission

938

- Number of the candidate who joined within the date, vacancy position in each category before operation of waiting list

- Innovative Learning Program

Chennai Institute of Technology is a haven for those interested to innovate via research and is a key platform to help students cultivate the need to learn and increase their knowledge on multiple domains through our "Self Learning Program". Our research programs aim at molding students that can go back to the beginning of theories, fully understand the concepts and in turn revolutionize the world by coming up with ideas, products, and concepts that are at standards higher than those expected from students. We encourage all students and faculty members with the passion to study, join our various fully equipped research-oriented programs with no limitations and provide them the right guidance along with the answer to the "What next?" question that may arise in the minds of our young researchers.

- Incubation Cell

In order to foster the culture of innovation among faculty and the students, Innovation Cell was established in the college. The Cell aims to encourage, inspire and nurture young students by supporting them to work with new ideas and transform them into prototypes. The Innovation cell also strives to create a vibrant local innovation ecosystem in the campus and also provides a forum for scouting Ideas and Pre-incubation of Ideas. Institution Innovation Council (IIC) has been established in Chennai Institute of Technology by MHRD Innovation Cell (MIC), Ministry of HRD, Govt. of India to foster the culture of Innovation among Higher Education Institutions.

<ul style="list-style-type: none"> SC/ST Cell 	The SC and ST Cell in our institution promote the special interest of students in the reserved category and to provide special inputs in areas where the students experience difficulty. The cell regularly have to conduct remedial coaching classes on life skills, personality development, writing assignments and make presentations and have to organize interactive sessions and informal meeting with students to attend to their personal, social and academic problems.

- Soft Skill Development Facilities

The Institution offers unique platform to equip students with the required knowledge and skillsets through coaching, mentoring and orientation programs, thereby paving way to the right destination from various avenues of career prospects. The institution has also established Training and Development centre which conducts all the training activities. Training is provided to all the students right from their first year onwards.

Our Unique Proposition includes:

- Training modules handcrafted by Industry Experts
- Training Starts from first year
- Training scheduled inline with academic time table
- Training offered by experienced faculties with industry experience
- Year-wise scheduled programs, flexible option to choose from and industry customized program
- 24*7 access to centre of excellence's
- Innovative Learning practices and infrastructure focused on futuristic technology
- Provide live platform to demonstrate learning through guided social and industrial projects
- Students are handheld for patent registration of their innovative projects
- Continuous assessments and monitoring for quality improvement and skill set mapping
- Peer learning to improve team work and cognitive skills

- Teaching Load of Each Faculty

Professor : Two theory courses
Associate Professor: Two theory courses and one laboratory course
Assistant Professor : Two theory courses and two laboratory courses

- Internal Continuous Evaluation System

Internal Assessment:

Internal Assessment comprises two Internal Assessment Tests and Term Work. Various components of internal assessment mechanism are briefly discussed with respect to frequency and variety. 1. Internal Assessment (IA) tests: Three internal assessment tests are conducted during the semester.

IA Test-1 covers about 20% of syllabus, IA Test-2 covers 60% and IA Test-3 covers full syllabus.

Questions are set to evaluate the attainment of various Course Outcomes along with thought-provoking questions. This ensures a wide variety of questions which adds robustness to the system.

Laboratory Courses:

The following process will be followed for the evaluation of Laboratory Courses

- Evaluation of the student’s observation book and record notebook.
- Evaluation by oral examination on the student’s knowledge before the start of experiment.
- Model practical examination.

- Laboratory details for each Post Graduate Courses

- Academic Calendar and frame work

The Anna University prescribes the academic schedule for every semester that should be followed by the affiliated Institutions. Principal appoints a calendar committee headed by the Academic Coordinator and it is prepared in line with the academic schedule prescribed by Anna University with the details of commencement of class, internal and model examinations, completion of syllabus, dates for end semester practical and theory exams, total number of working days and details of holidays in addition to the details of the college trust, College vision, mission and quality policy, Students code of conduct in the campus, Attendance and academic requirements to be met by students as per Autonomous Regulations are also given.

The draft version of academic calendar is submitted to the Chairman and Principal for approval. With the approval of Management and Principal, it is circulated to the faculty members and students before the commencement of each semester. This is helpful in pre-planning all the activities.

F.No- 33-366/2017-NBA

Date: 17-02-2022

To
The Principal
Chennai Institute of Technology,
Sarathy Nagar, Kandrathur
Chennai- 600 069,
Tamil Nadu

Subject: Accreditation status of programs applied by Chennai Institute of Technology, Sarathy Nagar, Kandrathur Chennai- 600 069, Tamil Nadu.

Sir,

This has reference to your application I.D. No. 5484-31/03/2021 seeking accreditation by National Board of Accreditation to UG Engineering programs (Tier-II) offered by **Chennai Institute of Technology, Sarathy Nagar, Kandrathur Chennai- 600 069, Tamil Nadu.**

2. An Expert Team conducted onsite evaluation of the programs from 3rd to 5th December, 2021. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The Competent Authority in NBA has approved the following accreditation status to the programs as given in the table below:

Sl. No.	Name of the Program(s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Computer Science & Engineering	Tier-II June 2015 Document	Accredited	Academic Years 2021-2022 to 2023-2024 i.e. upto 30-06-2024	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the Competent Authority, whichever is earlier
2.	Mechanical Engineering				
3.	Mechatronics				
4.	Electrical & Electronics Engineering		Accredited	Academic Years 2021-2022 to 2026-2027 i.e. upto 30-06-2027	
5.	Electronics & Communication Engineering				

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. In case of the programs which have been granted accreditation for 3 years, **Chennai Institute of Technology, Sarathy Nagar, Kandrathur Chennai- 600 069, Tamil Nadu** should submit the Compliance Report for these programs at least six months before the expiry of validity of accreditation mentioned above so as to be eligible for consideration by the concerned Committee in NBA for further processing of the accreditation status.

5. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to **Chennai Institute of Technology, Sarathy Nagar, Kandrathur Chennai- 600 069, Tamil Nadu** as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

Tel: +91 11 2436 0620-22, 2436 0654; Telefax: +91 11 4308 4903
Website: <http://www.nbaind.org> | Email: membersecretary@nbaind.org

Contd./...

6. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.
7. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.
8. A copy each of the Report of Chairman of the Visiting Team and Evaluators' Reports in respect of the above programs is enclosed.
9. If the Institute is not satisfied with the decision of NBA, it may appeal within thirty days of receipt of this communication giving reasons for the same and by paying the requisite fee.

Yours faithfully,

(Dr. Anil Kumar Nassa)
Member Secretary
